Message from President

Ken Schintzius

Greetings retirees, hope retirement is treating you well.

I will take this time to thank all those who work so hard to make this Alumni Association work. I thank Sheriff Gee and his staff for their continued support, Major Hartley for his liaison guidance, Tanya Preza for her tireless work as newsletter editor and friend, the Officers and Board Members for their continued dedication and our members for their continued support. I would also like to take this time to remember those who are no longer with us who gave so much in service to the HCSO and our Alumni Association.

May the good lord keep you all Well, Safe and Happy. Continue to enjoy retirement and remember, we are a family, let's stay in touch.

HCSO Benefits/Medical Advantage Plans

The Sheriff's Office continues to partner with Humana to make additional options available to HCSO retirees that are eligible for Medicare Part A & B. Humana Group Medicare Advantage Plans will remain as an option for our Medicare eligible retirees. New plan design changes will be explained during the Retiree Alumni meeting on October 27th and during two information sessions that the RMB/Employee Benefits Section will be hosting at the Pinebrooke Training Facility during the month of October. Any changes relating to the Group Medicare Advantage Plans will go into effect January 1, 2012. In early October, information packets will be mailed out to all of our Medicare eligible retirees currently participating in the HCSO group health insurance and Group Medicare Advantage Plans. Please plan to attend one of these information sessions.

If you have any questions prior to attending one of these information sessions please call Will Ziegler at 813-230-6716 or Frank Montes at 813-966-5415.

If you know a HCSO Retiree that is currently eligible for Medicare please share this information with them. We look forward to seeing you at one of the information sessions.

Linda Caraballo, HCSO Benefits Manager

What Are They Doing Now?

No one submitted an article this month; therefore, I have added a little comic relief….

The Helpful Wife

A male driver is pulled over by a cop and the following conversation takes place:

Man: What's the problem officer?
Cop: You were going at least 75 in a 55 zone.
Man: No sir, I was going 65.
Wife: Oh Harry. You were going 80.
(Man gives his wife a dirty look.)
Cop: I'm also going to give you a ticket for your broken tail light.
Man: Broken tail light? I didn't know about a broken tail light!
Wife: Oh Harry, you've known about that tail light for weeks.
(Man gives his wife a dirty look.)
Cop: I'm also going to give you a citation for not wearing your seat belt.
Man: Oh, I just took it off when you were walking up to the car.
Wife: Oh Harry, you never wear your seat belt.
Man: Shut your mouth, woman!
Cop: Ma'am, does your husband always talk to you this way?
Wife: No, only when he's drunk

Plain or Glazed

A policeman pulls a man over for speeding and asks him to get out of the car. After looking the man over he says, "Sir, I couldn't help but notice your eyes are bloodshot. Have you been drinking?" The man gets really indignant and says, "Officer, I couldn't help but notice your eyes are glazed. Have you been eating doughnuts?"
