RE: INTENT TO AWARD PROPOSAL 09-00 FOR INMATE HEALTH CARE

MESSAGE:

After review and discussion with the evaluation committee, we have made the decision to make the award for the Sheriff's Office inmate healthcare needs to Correctional Medical Services, Incorporated. The decision was based on the best overall program capability, detailed plan, organizational capability and price for the first two year period of the contract.

If you should have any questions, please address them to me in writing at the address or fax number listed above or to my e-mail address chendrickson@hcs0.tampa.fl.us. The tabulation follows this cover notice.
