Pre-employment Physical Agility Assessment Test

How to prepare:

1. **Preparing for the Push-up Test**- To increase muscular endurance, do as many standard push-ups as possible in one minute. At least three times per week, perform three sets of the total number of repetitions you did in one minute.
2. **Preparing for the Sit-up Test**- To increase your muscular endurance, do as many bent leg sit-ups (hands interlocked behind the head with someone holding your feet) as possible in one minute. At least three times per week, perform three sets of the total number of repetitions you did in one minute.
3. **Preparing for the 1.5 mile run test**- Below is a gradual schedule that would enable you to perform a maximum effort for the 1.5 mile run. If you can complete the distance in less time, than that is encouraged.

WEEK	ACTIVITY	DISTANCE (MILES)	TIME (MINUTES)	FREQUENCY (WEEK)
