EVALUATION POINTS GRADING

Criteria A Cost: The Lowest Bid Price from a Responsible & Responsive Bidder receives the maximum points allowed. 50 Points

All other prices receive points based on the percentage they are over the low price. This Quantitative score is calculated by the Buyer.

Example: Low Bid \$50,000 recieves 50 pts. Next bid is \$75,000 divided by \$50,000 = 1.5. The numbers to the right of the decimal indicate the percentage over so 1.5 is 50% over the low bid. The chart below reveals that 50% receives a score of 27.5 points.
