

David Gee, Sheriff

HILLSBOROUGH COUNTY
TAMPA, FLORIDA 33601

SUBJECT: RFP 10-12 Tactical Training Reconfigurable Floor Supported Panel Partitions
ADDENDUM: Amendment No.1
DATE: June 6, 2012
MESSAGE: Please note and acknowledge the following changes to RFP 10-12 Tactical Training Reconfigurable Floor Supported Panel Partitions:

1. The manufacture and installation of this panel partition wall system is not a construction project requiring any structural additions, reconfigurations or permanent changes to the existing building in which the panels will be used. The panels, which will be built at a factory and delivered to the HCSO facility, do not need connectors or support from the building structural elements, other than the floor slab on which they rest. They may be more likened to furniture than to structural building components. Therefore, no General Contractor is required for installation and no permitting by the county building department or other regulating agency will be required. Any reference to permitting or General Contractor licensing in RFP 10-12 may be disregarded.
2. In general, throughout the RFP 10-12 documents, all references to "Contractor" or "General Contractor" refer solely to the company who will supply and install the materials and that company is not required to be a licensed General Contractor. The word Contractor also indicates that the Hillsborough County Sheriff's Office will, by virtue of Award of this RFP, enter into a contractual relationship with the Awardee.
3. Similarly, as there is no construction in this project requiring a licensed General Contractor, any references to or demands for engineered drawings or signed & sealed drawings may be disregarded.
4. Delete Part B, Paragraph 18, A-D PERFORMANCE BOND AND LABOR AND MATERIAL PAYMENT BOND. No Performance Bonds or Alternate form of security shall be required.
5. Waive Part B, Paragraph 3 which reads "Contractors shall have engaged in business in the Hillsborough County area for a period of not less than five (5) years and shall provide references in the proposal response".
6. All requirements to provide Certificates of Liability and Workers Compensation Insurance, proof of business license and tax forms remain unchanged.

Sincerely,

Christina R. Porter
Comptroller
