The Lynn Sowers Memorial Foundation, Inc.

Deputy Lynn Sowers worked as a Law Enforcement Deputy from January 1992 until September 1995. At the time of her death, her fellow employees took up a collection to be given to her family. It was her family's wishes that the money be used for someone in need within the Sheriff's Office family. The Foundation was established in her honor.

In Memory of Deputy Lynn Sowers

The Lynn Sowers Memorial Foundation was created in memory of Deputy Lynn Sowers, following her tragic death in 1995. The Foundation is a 501 (c)(3) non-profit organization established to financially assist Hillsborough County Sheriff's Office employees who have suffered an unforeseen catastrophic event. To date, the Foundation has distributed over \$1,000,000.00 to employees in need, while protecting the identity and privacy of all recipients.

The majority of funding is derived from employee donations, mainly through payroll contribution. The Foundation also accepts donations from private sources and the community. Ninety-nine percent of every dollar goes into the Foundation to assist employees and less than 1% goes to operating costs.

How It Works

Employees or their supervisors may make a request for assistance by contacting the President of the Lynn Sowers Foundation. They will be asked the details surrounding the request. The circumstances surrounding the requests are then presented to the Board for approval. The employee's name is withheld to ensure confidentiality. The Board must vote unanimously to approve the request.

The Lynn Sowers Board

The Board members serve on a volunteer basis. They represent all areas from within the Sheriff's Office.
