Message from President

Ken Schintzius

Greetings retirees,

I hope retirement is treating you well.

The HCSOAA held elections in July to elect officers for the next two years. I was re-elected as President. Bob Beckner was re-elected as Vice President, Sandy Ray was elected as Treasurer and Cheryl Hurley has volunteered to be Secretary and hopefully will be elected during the October meeting.

Remember that this is your Alumni Association, suggestions either positive or negative are welcome. I/we look forward to seeing everyone at the October meeting. Please spread the word. Remember we are a Family, let's stay in Touch!

HCSO Benefits/Medical Advantage Plans

The Sheriff's Office continues to partner with Humana to make additional options available to HCSO retirees that are eligible for Medicare Part A & B. Humana Group Medicare Advantage Plans will remain as an option for our Medicare eligible retirees. New plan design changes will be explained during the Retiree Alumni meeting on October 24th and during two information sessions that the RMB/Employee Benefits Section will be hosting at the Pinebrooke Training Facility during the month of October. Any changes relating to the Group Medicare Advantage Plans will go into effect January 1, 2014. In early October, information packets will be mailed out to all of our Medicare eligible retirees currently participating in the HCSO group health insurance and Group Medicare Advantage Plans. Please plan to attend one of these information sessions.

If you have any questions prior to attending one of these information sessions please call Will Ziegler at 813-230-6716 or Frank Montes at 813-966-5415. If you know a HCSO Retiree that is currently eligible for Medicare please share this information with them. We look forward to seeing you at one of the information sessions.

Seasonal Flu Vaccines Available

Influenza is a serious disease that can lead to hospitalization and sometimes even death. During a regular flu season, about 90 percent of deaths occur in people 65 years and older. An annual seasonal flu vaccine (either the flu shot or the nasal-spray flu vaccine) is the best way to reduce the chances that you will get seasonal flu and lessen the chance that you will spread it to others. Everyone who is at least 6 months of age should get a flu vaccine this season. It's especially important for some people including adults 65 years and older, to get vaccinated.

Flu vaccinations will be available at the Alumni Meeting on October, 24th. The vaccination will be free to those that carry HCSO Health Insurance through Humana. Bring your Humana ID Card with you to sign in for flu shot. The cost for those that have other insurance will be \$25. CASH ONLY.
